Team Managers.

It is recommended that each club provides a team manager who is able to remain with their team throughout the day, this is partly due for health and safety reasons, in the event of an accident, so someone can take responsibility for that person, horse, etc. It also allows your team members to be introduced to each other and feel part of the team that is representing their club.

COMPETITORS CONDUCT AT COMPETITIONS

As a competitor you need to be aware of your responsibilities.

- Be courteous to all stewards and helpers, they like you are Riding Club members who have given up their time so you can compete.
- It is your responsibility to know the rules of the competition, riding club rules do vary from other disciplines, all rules can be viewed on the British Riding Club website. www.britishridingclubs.co.uk and also the rule book can be downloaded from this site.
- The owners of each venue have spent time preparing the premises for us to use, so please respect any of their wishes regarding the use of the venue.
- You are responsible for making sure that your vaccinations for your horse/pony are up to date.
- Anyone who is verbally abusive to any other rider, steward or helper, will be asked to leave and their score will be withdrawn from the competition.
- FaceBook aggression will not be tolerated.
- When you have finished your part in the competition, please bear in mind that scorers and officials do their best to get the score out as quickly as possible, and any offer of help from yourselves would be gratefully received, either in delivering drinks, collecting score sheets.

FLU INJECTIONS.

All horses/ponies that take part in British Riding Club competitions whether locally or nationally, must produce their passports with an up to date records of the animal's injections

The passport must have the first two injections entered, and the horse should have had it's booster injection within the stipulated number of days, and after this annually. If the passport or certificate is found to be out of date, the rider will not be allowed to ride. The organiser or official steward on the day will be the person consulted by the secretary on failure of producing the passport or a passport not being correct.

Passport/Flu certificates will be accepted with the first two injections.

Please remember not to inject your horse within 7 days of the competition.

Helping at the competition

All clubs have to help at the competitions that they enter. We do our very best to keep this to a minimum, but without this help, we could not continue. We do have a selection of volunteers who are willing to help the area, and we do call upon these, but a rota of help of clubs competing will be given out, any clubs who feel that they cannot do the task asked, please come back to Hilary as soon as possible, not 2 days before the competition.
